Re: Matthew Ianniello  
Reg. No. 10212-016

Dear Commissioner:

This is to advise you of the cooperation and assistance provided to the Government by Matthew Ianniello.

This Office has been involved in the investigation of the 1979 disappearance of a young boy named Etan Patz. In the course of the investigation both the FBI and this office sought to speak to an individual who it was believed might possess information concerning the Etan Patz disappearance.

This individual did not want to speak to the Government agents and made himself difficult to locate. It was learned that this individual, at one time, worked at a place in which Matthew Ianniello had a business interest.

Jay Goldberg, Esq., counsel for Mr. Ianniello, was contacted and asked to speak to Mr. Ianniello in order to help the Government find his former employee.

Within a short period of time this office was contacted and AUSA Stuart GraBois was told that the individual was available to be interviewed.
